Historic Landmark Since 1856

The Historic Anderson House B & B Inn and Restaurant

(651) 565-2500

The Anderson House is a true step back into tradition. Most of the furniture dates back to the opening in 1856, making this the oldest operating Country Inn in Minnesota.

The cornerstone of the Inn's success is its attention to service, comfort and good eating. The ever-filled cookie jar is still present at the front desk. Grandma Anderson's famous Chicken Noodle Soup, Dutch Cinnamon Rolls and Chicken & Dumplings still create excitement and a wonderful dining experience.

Traditionally, shoes left outside the door are meticulously shined. Cold feet will provide a hot brick for your bed, carefully presented in a quilted envelope. Nothing has changed since Grandma Anderson left a heritage of caring and sharing. Her priorities - guest comfort, a great interest in cooking and excellence in service are as important now as they were then, and will continue now with Grandma T.
